

TABLE 3 WORKSHOP ACTIVITY

COMMUNITY USES

ACTIVITY 1: Create your profile

- Please fill in your green profile card with brief information about you and your household.
- This is so that we can better understand your lifestyle and your personal needs.

ACTIVITY 2: Choose which community uses you would enjoy

- An A1 display board will present example images of a range of community uses.
- On the other side of your profile card, please fill in the orange 'My Activities' section by ticking or adding activities which you would be interested in using.
